

COUNCIL OF CHEVY CHASE VIEW
Work Session on Revised Permit Fees

Date: March 30, 2015
Place: Christ Episcopal Church, Kensington, Maryland
Present: Paula Fudge, Chair; Coral Bell; Peter Marks;
 Ron Sherrow, Council members
 Jana Coe, Town Manager
 Ron Bolt, Legal Counsel to Chevy Chase View

Called to Order: Called to order by Paula Fudge at 6:30 p.m.

Work Session on Building Regulations: The Council held a work session to discuss the existing CCV permit fees. Over the past several years, the Council has been focused on determining the incremental effort CCV needs to undertake in order to monitor construction projects in the Town. The focus is to more closely align this effort with corresponding permit fees covering the various construction projects.

The Council asked Ron Bolt to draft a Resolution to modify the schedule for permitting fees. The Council will consider the Resolution at the April 15, 2015 Council meeting.

At 7:30 p.m., Coral Bell moved that the work session be adjourned. Ron Sherrow seconded the motion and it passed unanimously.
