

Town of Chevy Chase View

ORDER FORM FOR NEW RECYCLING CONTAINERS

The Town of Chevy Chase View is now offering its residents a choice in recycling. You are welcome to keep your blue bins, or you may switch to the new containers, as shown below. These new containers are "single stream". Your recyclable items do not need to be sorted; everything you recycle can be placed in these containers. Residents are encouraged to take advantage of these "Toters" as they allow for more recycling of your trash than ever before.
